

COMBI LOCKERS

PLASTIC OUTDOOR LOCKERS

Combi Lockers are built for outdoor use, these lockers are extremely strong and weather resistant making them an ideal storage solution for schools, universities, aquatic centres or anywhere that may require outdoor storage.

Anti Vandalism

Solid and robust construction prevents damage from vandalism

Weather Resistant

UV Stabilised Polyethylene prevents damage from direct exposure to weather.

Easy to Clean

Hose down and scrub lockers. Drainage holes for excess water flow.
